We are accepting donations to help Mission & Service partners respond to devastating natural disasters in the Asia Pacific Region.

Japan, China, Hong Kong, and the Philippines have all sustained major damage as massive typhoons swept across their countries this fall. And there is strong possibility of more to come. In addition, Indonesia experienced two significant earthquakes that cost thousands of lives, many lost in the tsunami that followed the latest earthquake. These disasters also destroyed vital transportation and communication links making emergency response challenging.

In the midst of this, United Church Mission & Service partner ACT Alliance, working with other partners in the region, is responding to these devastating events with medical teams to treat the injured, damage assessment teams, food, shelter, and agricultural support to replant crops. They are concentrating their resources to reach the most remote and underserved communities. United Church donations will support this critical work.

Please include the people of the Asia Pacific Region in your prayers as they face the long and difficult journey from emergency response to reconstruction and recovery.

Donate Now

Online via our [secure donation page](#).

Phone: 416-231-5931 or toll-free 1-800-268-3781 ext. 2738 and use your Visa or MasterCard.

The United Church of Canada, Philanthropy Unit - Emergency Response,
3250 Bloor Street West, Suite 200 Toronto, ON M8X 2Y4

Please be sure to note "Emergency Response—Asia Pacific Region" on the face of your cheque.

Note: As part of the United Church's Emergency Response Fund, 100% of your donation goes directly to emergency relief with 85% of your donation responding to this designated emergency and 15% responding to future emergencies that do not receive intense media coverage. Donations to Mission & Service enable the United Church to cover all of the costs of emergency response work without deducting any fees from your donation.

THANK YOU to our KUC friends and family for your reaching out to support at the time of my father's passing. Your cards, hugs, words and visits were ever so appreciated. With gratitude, Catharine Crawford and family.

A MESSAGE FROM KERRY

Friends,

Just a friendly reminder of the three items I challenged you with in my first sermon on September 9th:

1. Clean out our clothes closets of those items that you haven't worn for the last 3, 5 or 7 years. The clothes that we donate to the Clothes Hamper, the Diabetes Association or any of the other groups that take in used clothing will help those that need something to wear as we start into the colder months.

2. Invite a neighbour or friend to join you and us for the Loaves and Fishes dinner (the next one is Monday October 8th), gathering time is 5:30 p.m. and the dinner starts at 6 p.m. This is a good way to connect to those that we think about who may be alone or those that we need to reconnect with.

3. Pray for each other. I am truly grateful and humbled by your prayers for my ministry with you and the greater community that we serve as followers of Jesus Christ.

And this past Sunday I presented another challenge: to empty our pockets/purses nightly of any loose change and then place our loose change into a used yoghurt of similar container. This time next year, the monies will be offered for Mission Sunday.

Thanks for your empathy, compassion and love as you take on these challenges with me. Peace be with you.

Kerry (Intern Minister)

MINUTE FOR MISSION

OCTOBER 14, 2018

REBUILDING COMMUNITY IN THE PHILLIPPINES

Our gifts for Mission & Service, together with our emergency response for Typhoon Haiyan, support the agricultural program of the United Church of Christ in the Philippines (UCCP). In 2013, Typhoon Haiyan destroyed large parts of Philippine infrastructure, affecting the economic base of many communities.

The Visayas region in Central Philippines, a predominantly agricultural area, was hard hit by Haiyan. Ninety-five percent of fruit trees were uprooted, livestock were killed, and crops were destroyed. Also destroyed were many families' hopes for feeding their families and making a living. As part of the recovery process, Mission & Service partner the UCCP is working with agricultural communities to restore livelihoods.

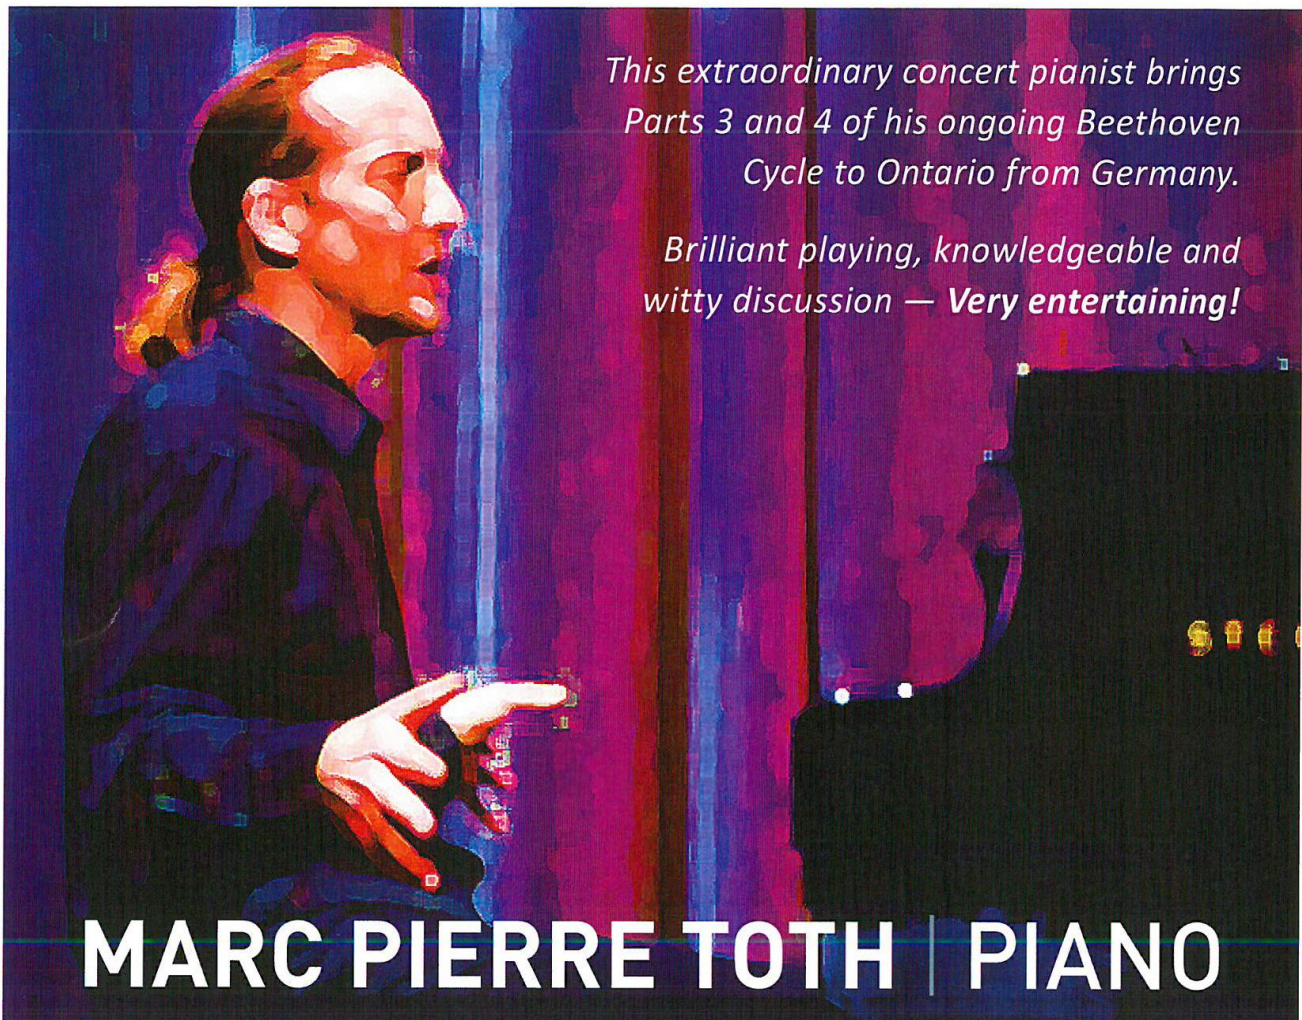

Working with community-based organizations, the UCCP developed a plan that identified the most appropriate livestock to distribute to local families. Basic veterinary skills and training help farmers ensure the health and welfare of the animals they receive. Home solar lighting kits are being distributed to communities. For some, this was the first electrical light their home had ever had.

A third component of the plan is helping farmers plant and harvest aerobic rice, which uses less water and requires less labour than traditionally grown rice. Given the right conditions, seed is easily saved from year to year, and a growing season can have two harvests.

Our emergency response provided a robust short-term response to start the rehabilitation. Through Mission & Service, our ongoing support ensures that these programs grow and develop to create resilient and sustainable farming communities in the Philippines.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.

SOCIAL TIME at 5:30 pm, DINNER at 6:00 pm

"Taking the five loaves and the two fish and looking up to heaven, he gave thanks to God and broke the loaves. Then he gave them to the disciples, and the disciples gave them to the people. ²⁰ They all ate and were satisfied." Matthew 14:18-20

Each month Kincardine United Church hosts a Loaves and Fishes Potluck Dinner inviting everyone to come and share friendship, laughter and food. As those who attend know, there is always a large variety of food and more than enough to feed all who come to our table. We may not feed 5,000 but all who attend leave satisfied. We invite everyone to come to our Loaves and Fishes dinner – bringing friends, family and what you are able for food. If you are not able to bring something we also welcome you at our table.

Future Dates: December 10th
