MISSION SUNDAY

Mission Sunday on Sunday, September 30th will feature David Epp as our guest speaker. David will be telling us about the Canadian Foodgrains Bank. We would like to present David with a cheque toward the Foodgrains Bank ministry at the end of the service. As a result, we are raising money between now and then for that purpose. All donations should be made out to Kincardine United Church but marked "For Canadian Foodgrains Bank" so we can set your donation aside toward the cheque on September 30th. However,

what do they do? Well....

Zewedu is an 81 year-old man from Ethiopia who spent much of his life grazing livestock. During that time, pastoralists in his village had to walk two hours with their livestock to get them water. About 12 years ago, a new pond was constructed in the community. Pastoralists and their animals now only have to walk about 15 minutes to access the pond.

The pond was made possible by Canadian Foodgrains Bank, which funded a food-for-work project. Community members, including Zewedu, were given food rations in exchange for their labour building the pond. Now he volunteers to maintain and to manage it.

"I want to be sure it continues to serve the community," he says. Zewedu has already identified some of the young men from his community who will replace him when he can no longer look after the pond. "They understand how important this water is. They will make sure the legacy continues."

**WHERE THEY ARE NOW**

Ron and Shirley Marie Harris are now at 210-200 Harbour St. Kincardine N2Z 3A3.

Bill and Joan Ritchie have moved to 305 Lewis Road, Kincardine N2Z 0A4.

Lee and Sharon Cox now reside at 305-325 Lambton Street Kincardine N2Z 0E3.

MINUTE FOR MISSION

SEPTEMBER 9, 2018

TRAINING EFFECTIVE LEADERS

Our gifts for Mission & Service support theological training at seven schools across Canada and three education centres.

In the beautiful south end of Halifax, Nova Scotia, there is a small university whose commitment is to “serve Christ’s mission by shaping effective and faithful ordained and lay leaders and understanding among communities of faith.” The Atlantic School of Theology (AST) was formed in 1971 through the joint vision and forward thinking of its three founding parties—the United, Anglican, and Roman Catholic Churches of Canada. The school is located on the site of Pine Hill Divinity Hall, which had provided theological education since 1878. Thanks to its board of governors, faculty, and staff, and the support of the three founding parties, Atlantic School of Theology continues to train, support, and prepare leaders to face the unique challenges of ministry in the 21st century.

Kim Curlett is a candidate for ordination in the United Church and a Master of Divinity student. “AST was my first choice for theological education because of its commitment to ecumenism and interfaith dialogue,” she says. “To me, effective leadership in the church today means that we are not only able to educate and care for our local congregation, but that we are also able to engage with our neighbours outside the church walls with respect and a deep sense that we are all children of God. It is with this understanding that we are truly able to be Christ’s hands and hearts in the world.” Mission & Service makes theological education for students, clergy, and lay worship leaders possible. Thank you for your generous support.

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please join me in making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
