## Gifts of Proceeds from TFSAs

Tax-Free Savings Accounts (TFSAs) can be a large portion of the accumulated assets left at your death. Naming the church as the beneficiary of the proceeds of your TFSA can provide a significant future gift to the church.

If you make The United Church of Canada the beneficiary of these proceeds, the church will issue a charitable tax receipt for the full amount of the gift. This in turn will have significant tax benefits for your estate that will greatly offset the amount of your gift.

If you designate the church as the beneficiary of these funds, your gift will flow to the church immediately. If you leave the proceeds to the church in your will, there will be a delay while your estate is settled. Your estate will pay probate fees on these funds because they become a part of your estate.

### Benefits of a Gift of TFSAs

- You have the satisfaction of knowing that your gift will support transformational ministry.
- Your gift comes to the church immediately.
- You choose the area of work you would like your gift to support.
- Your estate receives a charitable tax receipt that can replenish the value of your estate.
